

Dellwood Cabana Parties

Introducing the new options for hosting a party in the cabanas at Dellwood! We are offering different buffet options below.

A few things to remember:

- ◆ All Cabana reservations require a \$100 food and beverage minimum per cabana reserved.
- ◆ Guest Fees are not included in the rental of a cabana - Guest Fees are \$5.00 per guest
- ◆ All orders need to be placed a week in advance, and anything that is pre-ordered must be picked up at the Clubhouse in case of inclement weather.
- ◆ All outside dessert needs to be from a licensed bakery and incurs a \$0.50 charge per person. Dellwood is happy to order a cake for your event, but the order is needed 10 days in advance.
