ALL PLAY IS IN ACCORDANCE WITH USGA RULES

- The embedded ball rule is in effect through the green.
- White stakes define out of bounds. If the ball crosses out of bounds and lies on another part of the golf course, it is deemed out of bounds. USGA local rule 27/20. Local rule for out of bounds on hole 5: While playing hole 5, the 4th fairway is out of bounds. Any ball

coming to rest west of the eastern edge of the 4th fairway, and north of the southern edge of the 4th fairway is deemed out of bounds. While playing hole 17 all points east of the cart path on hole 2 will be out of bounds.

- The rock landscaping area behind 9 green is designed as an Environmentally Sensitive Area (ESA). If your ball lies in this area and is not out of bounds, you must use the drop area located by the cart path for relief, no penalty.
- Players are required to submit their ESC adjusted score after every round.
- Please observe our club policies regarding cell phone usage on the course.

DELLWOOD COUNTRY CLUB

29 East Highway 96, Dellwood, MN 55110 | 651.426.3218
