The PGA Junior Golf League is an innovative and proven way to provide more competitive junior golf rounds. Boys and Girls ages 13 & under compete in a two-person scramble format which will reinforce the team concept and create an environment beneficial to learning the game.

Our Dellwood team will be comprised of 10-14 players with at least five matches against other local Clubs (WBYC, Forest Hills, Oneka Ridge, etc.). Matches with other clubs have typically been scheduled on late Sunday afternoons & Evenings but won't be determined until late April.

Registration for the PGA Junior League will be separate from our "in-house" program and can be done online at: [www.PGAJuniorLeague.com](http://www.PGAJuniorLeague.com) until May 1st. To register, your participant must be a child/grandchild of a member of Dellwood CC (golf, athletic) and will need the password "dellwoodcc".
