This is the 8th year of our Dellwood Traveling PGA Jr. League Team. The team will be competing against other Clubs in the area. The PGA Junior Golf League is an innovative and proven way to provide more competitive junior golf rounds. Boys and Girls ages 13 & under compete in a two-person scramble format which will reinforce the team concept and create an environment beneficial to learning the game.

Our Dellwood team will be comprised of 10-14 players with at least five matches against other local Clubs (WBYC, Forest Hills, Oneka Ridge, etc.). Matches with other clubs have typically been scheduled on late Sunday afternoons & Evenings but won't be determined until late April.

Registration for the PGA Junior League will be separate from our "in-house" program and can be done online at: www.PGAJuniorLeague.com until May 1st. To register, your participant must be a child/grandchild of a member of Dellwood CC (golf, athletic) and will need the password "dellwoodcc". You can also use this website for more information on the league and what to expect.

Rental Program

Designed to ensure your Jr. Golfer always has the correct length clubs at half the cost. Golf is difficult enough but almost impossible with the wrong-sized clubs. Swinging a club that is too long or short, heavy or light can create life-long habits. Always having the correct length clubs will help your junior golfer play better and have more fun!

The first year your junior will receive a brand new set of US Kids Clubs w/ Bag. Quality golf clubs fit for their correct height and skill level, theirs to keep until they grow out of them, generally 12-18 months. As your junior grows, you will be able to upgrade equipment and trade up to the correct size and/or skill level. Donate an old set of US Kid's clubs in good condition and receive \$50 OFF next year's rental fee.
