

The cover features a dark teal-to-black gradient background. At the top, a bright light source creates a lens flare effect. The 'black & gold' logo is centered, with a gold flag icon above the ampersand. Below it, the word 'INVITATIONAL' is written in white, spaced-out capital letters. The year '2023' is rendered in a large, elegant, light-colored serif font, appearing as a watermark across the middle. The bottom half of the cover is dominated by a complex, repeating geometric pattern of gold and brown lines forming a lattice or diamond shape.

Shootout begins for the Eleven Second Place teams on Hole 1 of the Gold Course. Flight Winners will Start on Hole 1 of the Black Course

# TOURNAMENT FORMAT

## SHOOT-OUT

The winning team from each flight will qualify for the Shoot-Out. The eleven-second place teams from each flight will play Hole 10, with three teams advancing to Hole 1, along with the eleven teams that won their respective flight.

The Shoot-Out is a true alternate shot format. Each team must decide before the beginning of the Shoot-Out which player will tee off on the first hole. That player will then tee off on #12 & #18, with his partner teeing off on #2 & #17. Players will alternate hitting shots for the duration of the Shoot-Out.

Your Shoot-Out handicap for the 2nd place teams is determined by establishing your team handicap, which is both players' tournament handicaps combined. Your Shoot-Out handicap is approximately 5% (playing 1 of the 18 holes) of your team handicap and rounded to a half shot.

Your Shoot-Out handicap is determined by establishing your team handicap, which is both players' tournament handicaps combined. Your Shoot-Out handicap is approximately 28% (playing 5 of the 18 holes) of your team handicap and rounded to a half shot. The 5 holes played in the Shoot-Out are ranked against each other to determine where shots fall.  
Shoot-Out Holes: Handicap Rank and Amount Eliminated

Hole 1: 3 Hdcp, 6 teams eliminated  
Hole 2: 1 Hdcp, 3 teams eliminated  
Hole 12: 5 Hdcp, 2 teams eliminated  
Hole 17: 2 Hdcp, 1 team eliminated  
Hole 18: 4 Hdcp, winner determined

If Hole 18 ends in a tie, the winner will be determined by a sudden-death playoff, with an order of Holes 1,2,12,17, and 18. Shoot-Out handicap shots will be applied where they fall.

The payout for this year's Calcutta will be as follows:  
30%, 23%, 17%, 9%, 9%, 4%, 4%, 4%

## CALCUTTA

The Calcutta will be conducted starting at 5:30 pm on Wednesday evening in the Courtyard area.

The minimum Pre-bid for any team is \$600. Teams have the option of purchasing their team for \$1,200 before the Calcutta starts and if they do so they will not be part of the Calcutta auction and will own 100% of their team. If you do not buy your team at \$1,200, your team will go into the auction and bidding will start at the highest Pre-bid. If a team is auctioned off, Winning bidders are required to sell at least half of the team to the team they bought. Winning bidders can collect up to a 10% premium when selling back to the team (ex. team sells for \$1,000, then sells half of the team back at \$500 plus \$50 premium = \$550 for half of the team's winnings.)

Teams that want to purchase half of their team, must make payment prior to teeing off before Thursday's first match. There will be a table set up in the Courtyard to make payments Thursday morning.

Teams can also pre-bid an amount between \$600 - \$1,199. Pre-bids ensure that you will own at least that portion of the total amount your team sells for, without paying a premium. Pre-bids do not restrict you from bidding more than \$1,199 on your team.

# TOURNAMENT FORMAT

## **PARI-MUTUEL AND TEAM PLAYERS POOL**

We will have a \$300/Team Players Pool and Horse Race package this year. This package includes Cash Pool Entry, a \$10 Win-Place-Show for Days 1&2, and a \$20-\$10-\$10 for the Saturday Shootout. Additional betting is available. Pools are optional; however, if your team wishes to wager in either pool, betting for the Players Pool must be done Thursday before you play your first match. Pari-Mutuel betting for Days 1 and 2 must be done prior to the start of your first round that day.

## **PARI-MUTUEL**

Wagering will be bet in \$5 cash increments. The daily payoff for Pari-Mutuel will be based on results for Days 1 & 2. The Pari-Mutuel is not flighted. Payoffs will be for 1st, 2nd, and 3rd Place teams. Tiebreakers will be based on the most points won in a single match that day. If still tied, the most points won in the most recent match will determine the tiebreaker. If still tied, this comparison will continue with the preceding round until a winner is determined. If still tied, payouts will be split.

## **TEAM PLAYER POOL**

The Team Player's Pool is \$100 per team & is paid out within your flight.  
2/3 of the pool goes to the winner  
1/3 of the pool goes to the runner-up  
Flight winners will receive hole flag.

## **SCORING**

Nine points will be awarded for each 9-hole match as follows:  
1 point for winning a hole  
0 points for tying a hole  
-1 point for losing a hole

## **FLIGHT TIEBREAKERS**

If there is a tie for the Flight Winner, the tiebreaker will be their head-to-head match, if still tied, there will be a sudden-death playoff on Hole 10 (alternate shot), if still tied we will go to the 150-yard marker, and if still tied we will have a chip off. If there is a tie for 2nd Place in the Flight, the same process will be used.

## **SHOOT-OUT**

Shoot-out will start at approximately 1:30 pm. Additional Pari-Mutuel for the shoot-out will consist of betting on the 1st place teams in each flight and 2nd place teams in each flight. Wagering will be bet in \$5 increments.
