Happy December Dellwood Members!

Although I am not the biggest fan of cold weather, the change in seasons is refreshing and allows us to take a look back at our season, as well as look ahead while we work to continuously improve our operations and enhance everyone's experience at this special Club. It's impossible to take that look back at the season and not feel overwhelmingly grateful for, what I consider, an amazing group of individuals that make up our Membership. I'm reminded time and time again how inviting our Club is by those who are new(er) to the Club and those visiting for the first time. It's a culture that embraces new friendships and genuine camaraderie throughout.

For the third consecutive year, a handful of our management team spent part of our Thanksgiving week distributing Thanksgiving meals at the White Bear Lake Food Shelf for their annual Give a Gobble drive. This tradition of ours links directly with one of our core focuses here at the Club,

which is to give back and get involved within our community. The need for food donations continues on a sharp and steady incline, and it's incredible to see what kind of support our Food Shelf receives from local businesses to meet these increased demands over the holidays. If you are interested in volunteering your time, whether that is once per year or once per week, please consider reaching out to Carol Anibas, the Volunteer Coordinator at our local WBL Food Shelf. You can email her HERE, or reach out to me and I'll be happy to coordinate.

This past month we welcomed over 200 Members into our Ballroom for a festive Thanksgiving celebration. We'll take the momentum and growth of this event right into December with Santa Brunch on Sunday, December 3rd, where we'll see nearly 650 in attendance! In addition to some incredible food coming out of the kitchen by Chef Peter and his staff, those attending will get a chance to grab a picture with Santa and Mrs Clause, enjoy a sleigh ride through the golf course (albeit snowless this year), and take home some festive crafts with help from Katie and her team. It's a very fun day and I hope that it is or will become part a special tradition in your family.

You may have seen or read a little about our Week of Winter Elegance upcoming here in December, but I wanted to touch on it once more as we're excited to be enhancing our offering during the week leading up to Christmas, knowing that many of you are hosting or entertaining friends and family during this time. Kicking off on Tuesday, December 19, we will be featuring special entertainment each night in the grill, all served up alongside some gourmet offerings out of Chef Peter's cook book. Steven C will be featured both Wednesday and Saturday night, from 5-8pm. Steven is well-known locally as a highly-talented piano player and whether you know it's him or not, you have probably heard his music in the past at music venues around the Twin Cities, randomly on a holiday Spotify playlist or at Christmas mass at the Cathedral of St Paul. On Thursday night, we'll be featuring a Tableside Magician, hitting on what has become Family Night here at Dellwood. We anticipate sellouts each night during our Week of Winter Elegance, so do not wait - make your reservations now.

From all of us here at DCC, Happy Holidays!

Happy Holidays Dellwood Country Club Family!

The Holiday Season is turning into one of my favorite times of the year here at the Club. By the number of calls I'm getting from members to host holiday gatherings, I am guessing some of you might feel the same way! For those members who have not had the joy of a winter holiday season here at DCC, the following are some of my favorite parts of DCC in the wintertime:

12.3.23 Santa Brunch: A fun filled family day at the club. Great food, drinks, and activities for all! The culinary team is planning a buffet with holiday favorites and sweet treats. The lower level of the club is magically transformed by Santa's Elves with cookie decorating, a hot chocolate bar, crafts, and photos with Mr. & Mrs. Clause! During the fun. And, be sure to dress warm & catch a ride on a horse drawn carriage on the course! We have TWO horse teams attending this year! (Currently this event is sold out, but we do have an active waitlist available on the Foretees app)

12.10.23 Canine Inspired Change: A member hosted event, open to all. The Sauer family has partnered with local organization, Canine for Change, to bring a fun holiday event to the club. 11am-1pm join the fun that day to create change with the help of great people and canines!

12.19-12.23 Week of Winter Elegance: Enjoy a week of delectable culinary specials, music, table side magician, bingo, holiday floral workshop, warmth and cheer! Reservations are recommended each evening, as we do anticipate many of our DCC members attending! And, each night is a little different. Please bring your friends and family by the club to celebrate each other this holiday season! We've included a menu for this event within this Newsletter for you to check out!

12.31.23 Year's End Celebration: Premier Machine Horse & Carriage will be out with the horse team & sled to give members an opportunity to see the golf course from a new perspective, bundled up with family and hot chocolate in hand. A day for the family to get out and have some winter fun! *NEW* for this year - we will be offering a New Year's Brunch! Stay tuned for more info and registration info!

A friendly reminder: Please keep in mind that we have three great spaces to host gatherings here at the club: The Tamarack Room, The Fireside Room, and The Ballroom. Our Dellwood CC staff assists in creating and executing events that boast warmth, elegance, amazing culinary tastes, and legendary libations. The best part is, DCC staff takes care of the cooking and the clean-up! January is a great time to host as well!

Cheers and see you all around the Club!

It's the most wonderful time of the year! Except maybe for our die-hard golfers who had a great last weekend on our course on November 17th-19th! The end of the golf season is like an end of an era for all of us around here so again just wanted to thank everyone for a terrific golf season. We look forward to seeing some of you in our winter simulator league or just enjoying time in The Vault with family and friends over the winter season!

We also hope to see you in our restaurant space, the Bar and Grill as well! Chef Peter has been whipping up some incredible specials each week you don't want to miss! We especially appreciate everyone who has been utilizing our reservation system as well. This helps us be better prepared with staffing and allows us to make the necessary preparations to execute an incredible dining experience for you all. If some of you are new to our reservation process there are a couple ways to go about reserving a spot with us. First, you can use the Foretees app to make dining reservations. Simply launch your Foretees app, on the bottom tool bar select the Foretees icon and then click on the Dining Reservations module. From this page, you may then enter your reservation information! This gets sent to the F&B teams emails but please let us know if you need to make any modifications! You can also call our clubhouse (651-426-3218 and press 1 for the Grill) and speak to someone in the F&B department or grill area to make a reservation. Again, we so appreciate everyone who makes a reservation whenever possible but understand sometimes the craving for our unbelievable food is so strong, you make an impulse decision and come in! That works too!

We are all looking forward to a festive and fun filled December at the Club! Don't forget about Game Nights on Thursday's too! Our next Game Night is December 14th for Family Ugly Sweater Bingo from 530-7pm.

As always, Cheers!
