**MEMBER NEWSLETTER**

# From the President

By Brienna Schuette, Club President

Happy Spring, DCC Friends!

You may (or may not) have noticed my opening newsletter article missing from last month's edition. My mother ingrained a strong sense of Catholic guilt in me as a kid. I still carry with me today, so I often feel the need to over-explain. This is one of those times.

Here's the scoop: The reason my article was missing last month is the same reason my golf game doesn't improve. It's the struggle to juggle. Life is a perpetual scramble.

Trying to raise two kind little people who will do good. Working a job that requires full-time-plus hours. Driving Mom Taxi to swim team, baseball, faith formation, ninja class, and beyond. Working to ensure the house and yard are tidy enough that the neighbors don't call the cops on us. It's all in a day's work. Needless to say, there's not a lot of spare time to bust it trying to shave strokes off the ol' handicap.

And, you know what? I'm not special.

There are dozens of other moms at the club juggling just like I am. (I'm going to pretend they were just born better at golf.) And, whether you're a working parent to young kids, or at any other stage of life, we all juggle. Whether it's your career, kids, volunteer commitments, aging parents, your own health, or the health of your loved ones, family dynamics—whatever—we're all juggling.

In a world that often feels like a whirlwind of responsibilities, deadlines and commitments, Dellwood Country Club is an escape from the grind. There's something truly special about the things DCC offers that we're fortunate enough to get to indulge in.

I wish I could spend a whole lot more time at Dellwood, but the time I do get to work on improving my golf game, sip salt-rimmed margaritas, eat really good food, and goof around with our boys isn't taken for granted.

With the best spring and summer days yet to come, here's to treasuring every moment of fun and escape this spring and summer at the club!

Yours in bad golf,

Brienna

P.S. If you haven't seen it on the menu yet, look for the new President's Cocktail. It's...you guessed it...an unadulterated salt-rimmed margarita on the rocks. It's perpetually on special and perfect for summer sippin'.

General Manager

We made it through another successful Spring opening on the course, as we welcomed our golfers back to the course April 12th. What once felt like a potential record breaking opening date, a typical Minnesota March snow storm pushed us back for what was still an earlier-than-average opening.

Eric and his crew have been continuing to work on tree removal and cleanup within the course and around its boundaries, much of which is in response to ash borer disease, a disease that is estimated to have killed over 100 million trees in North America. The results of their hard work have put the course in great condition for this week's Women's 18-Hole Opener (Tue, Apr 30), Men's Opener (Wed, May 1), and Women's 9-Hole Opener (Thur, May 2). We're seeing new highs in participation across the board, with a recently sold out Couples Opener later this month (Fri, May 17).

Our Junior Programs have been well-published and received to accommodate the demand to get on parents calendars earlier and earlier every year! If you haven't yet, there is still time to register your kids (or grandchildren) for our programs - which were laid out in yesterday's Connection, but can also be accessed [HERE](#). Programs range from Golf to Tennis/Pickleball to Swim!

Clayton referenced our Dellwood CC x River Valley Charities Pro-Am, held Wednesday, Aug 7. We still have spots available in this event, that has a direct impact here in our community by benefiting the White Bear Area Food Shelf as well as 21 Roots, a non-profit organization out of Grant. Aside from supporting an amazing cause, the format supports a fun, yet competitive environment. Sign up as a group of 3 (members /guests) and be paired with a PGA Professional and their guest in a 3 Net of 5 event! Sign up is available on Foretees.

I'd like to finish this article by reminding you all that we have a very supportive group of Members that make up our Advisory Committee. In addition to our management team, we encourage you to utilize this group to share your ideas, feedback and suggestions. For a recap of your 2024 Advisory Committee, click [HERE](#)!

Thank you!

Pete

Hello Dellwoodians!

Plans for outside spring and summer events have been in the works and it's time to have fun, catch up with old friends, and meet some new ones!

The following member events are coming up soon! Please visit the Foretees App for additional event details and sign-ups:

**Pop The Bubbly** - A new event on 5.9.24 that I am so excited for! We've paired up with Small Lot Wine & Spirits to present a casual atmosphere and social evening, with tastings of bubbles from around the globe. Tasting and education will include selections such as champagne, cava, prosecco and more.

**Mother's Day Brunch** - Dellwood's Queen Bee Gathering- Grab your favorite lady and bring her to DCC on 5.12.24 if you truly want to see Mom smile! The culinary team is preparing their famous Mother's Day Buffet with fresh ingredients and great tastes. Pair that with some craft cocktails or bubbly, and there are only good times to be had! There will also be a take-away gift for all mom's that day!

**New Member Open House** - If you have joined recently, or in the past year, please join our Dellwood Country Club Management Team in the Fireside & Deck on 6.13.24. Prepare for an evening of introductions, good conversation, a bite to eat, and the best sunset view on property from the upper deck.

**Live Music on the Patio** - Summer Concert Series kick-off night 6.21.24 with Steve McCormick. His soulful guitar playing and raspy voice carry the influence of iconic Americana. He has released six studio albums to date with Stars and Chandeliers being the most recent. He is a consummate recording artist, covering all facets from songwriting and performance to recording, production and mixing.

**Dellwood Country Club Luau & Couple's Night** - Join us on 6.29.24 for a good time with Hawaiian style food and drink. Chef's use banana leaves to prepare the best Kalua pork the Midwest has tasted. And of course we are serving up Mai Tai's that will make you want to hula. This year we will be joined by hula dancers from Kaleiokapilialoha Halau based in Minneapolis.

Before you know it... Holiday parties will be upon us! Please give the Events department a call (651) 426-4155 or email [Katie@dellwoodcountryclub.com](mailto:Katie@dellwoodcountryclub.com) to reserve a date for your holiday fun. We can take care of the details after the warm months of summer.

Cheers and see you around the Club!

And we are underway!! The 2024 season has begun! It's been so nice to see more familiar faces around the club and we had a fabulous opening weekend with weather in the 70s. I know quite a few of the snowbirds are trickling back in as well – we always get excited to see everyone using the club more. April was an eventful month around here for all of us. We have been working hard on staffing up for the season as well as getting ready to go live with our new point of sale system with Foretees. A lot of behind-the-scenes time and effort has been put into this as we learn and prepare our teams for this switch. We are really looking forward to a system that propels us into the future with what we can do in the Food and Beverage sector. There are so many goals and dreams internally here to grow and change how we deliver amazing and fresh food and drinks to all of our fine members daily, and believe we will be able to achieve that with this new system. It's been fun to work together on cleaning up our current system so that we can be effective and accurate when we launch with Foretees. Our goal is to still be able to give the same exceptional service, while being more accurate, direct, and timely. We know we may encounter some bumps along the road once we launch at the beginning of June, so we appreciate if you all would be understanding if there are any delays at your table. It's been a great process for us and we are excited to put it to use soon!

We certainly are looking forward to introducing to you all our new employees for the year as we have hired about 30 new staff members! You'll see some new faces throughout our grill area, as well as at the Depot and Pool area! Be sure to give them a warm DCC welcome. Looking forward to a great month full of spring weather, many golf rounds, endless specialty cocktails, and more!

Cheers!

Brita

P.S – T-minus 24 days until Pool opening day! Woohoo!

Chef Peter Christenson  
Corporate Chef

Hello Members,

I have had the opportunity to meet many of you over the years, and always enjoy our conversations and idea exchanges. I have also had the pleasure of leading an entire culinary team here at the club to help create food and experiences that keep our members happy and satisfied. A couple of individuals on this team have been a part of Dellwood Country Club Culinary Team for a combination of 31 years! These two individuals are leaders on the culinary team. You might not have had a chance to meet them yet, whether it is chatting in the hallway or at an event. I would like to take this opportunity to introduce you all a bit more to Ryan & Randy:

Ryan Kanewischer – Banquet Chef

Ryan was born in St. Paul, raised in White Bear Lake, and is still proud to call this area home. In 2001 Ryan decided to take a break from college and take a prep-cook job here at Dellwood CC. While the original plan might have been to make DCC a temporary stop, his love for the culinary industry began to grow that day. Ryan continued to learn and develop his culinary skills, and has remained a pillar of our Dellwood Country Club culinary community for 23 years! When asked what his favorite DCC item to prepare, cook and serve, Ryan stated that the whole cooked Beef Tenderloin, that is sliced and served to perfection, is by far his favorite menu item. But, when it comes to cooking at home, Ryan usually has a slow-cooking, homemade soup on the stove. At the end of the day, he is a practical guy that knows it is important to have a hearty, healthy, home cooked soup in the freezer in the off chance that there is a cold day to remedy.

Randy Smith – Sous Chef

Randy has been a Dellwood Country Club team member since 2013. His private club experience started at Bearpath Country Club 17 years ago as Banquet Chef, and has since continued on here at DCC as Sous Chef. When asked what keeps him showing up to Dellwood CC every day, Randy relied “The people. The owners. My entire team.” Randy has always had a passion for the world of culinary, especially when it comes to Cajun cooking. Randy’s most memorable moment from his culinary career to date, was the opportunity to travel to Louisiana and train in the ways of Creole and Cajun cooking with Paul Prudhomme, the Cajun seasoning king. While on that trip Randy will never forget falling in love with Crawfish Etouffee, a Louisiana specialty that harmonizes fresh crawfish, Cajun seasonings, fresh herbs and vegetables. Amongst the local Dellwoodians, Randy is especially known for his BBQ and grilling skills. In fact, on days off Randy often opts to grill his dinner.

It's truly is a pleasure to have the support of these two individuals as we continue to collaborate and create for the members and guests of Dellwood Country Club. You will most certainly see their faces out at member events over the summer seasons.

See you around the club,

Executive Chef Peter Christenson
